

# RHINELANDER FIRE DEPARTMENT

## *Smoke Detector Program*

**Objective:** Install smoke detectors for residents of the City of Rhineland.

**Goal:** To have a smoke detector in every residence in the City of Rhineland.

To qualify, an eligible recipient must:

- Be a senior citizen, handicapped or low-income person.
- Reside within the City of Rhineland
- The home must be owner occupied.
- The home must not be newly constructed.
- The home must not be a duplex.
- The home must not be an apartment or rental unit.
- Applicants must be a senior citizen, handicapped, or a low-income householder with a combined annual income listed below:

# in household	1	2	3	4	5	6	7	8
Annual combined income	19,050	21,750	24,500	27,500	29,400	31,550	33,750	35,900

Date: \_\_\_\_\_

NAME: \_\_\_\_\_

HOME NUMBER: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

SENIOR CITIZEN:  HANDICAPPED:  LOW-INCOME:

I have read and understand the above qualification requirements and believe that I am eligible to receive a smoke detector from the Rhineland Fire Department.

ONCE SMOKE DETECTORS ARE INSTALLED, THEY ARE TO REMAIN AT THAT RESIDENCE. The Fire Department will install at least one smoke detector on each level of the single-family residence.

SIGNATURE OF APPLICANT: \_\_\_\_\_

The information you provide on this application is strictly confidential and will only be used for the purpose of establishing your eligibility for the smoke detector program.
