

Welcome to the 2018 golf season at Northwood Golf Club. It is an honor and a privilege for all of us at Green Golf Partners to be a part of the legendary Northwood Golf Club. For more than 25 years Northwood has served Northern Wisconsin as the hub for great golf, and a haven for good times and healthy outdoor activities for residents and visitors alike. Both golfers and non-golfers should take pride in the quality and reputation of a superb hometown recreational amenity.

The spring golf course opening is always a particularly exciting time of the year. It signals a reawakening after a long winter. There's no better place to enjoy the outdoors than on the fairways and greens of Northwood Golf Club. The team at the Golf Club is enthusiastically preparing to serve you this season. Kyle, Joe and the rest of the team is dedicated to meeting or exceeding your expectations. We are excited to offer some new options this season such as Whipsaw Bar & Grill, enhanced junior golf programming, resident rates, an upgraded event calendar and the opportunity to play our other courses at a discounted rate.

Thank you for your support. We will try our best to open the course for play as soon as reasonably possible. Your satisfaction, and protecting the course are our main considerations. Get ready to have some fun this year at Northwood Golf Club!!
