Riding Rapid Cab

The dispatcher will give you an estimated arrival time. Remember, this is only an estimate so you should always be ready and watching for your cab. The driver will wait no longer than five minutes at the pickup location.

Shared Ride Program

Rapid Cab is a shared ride service, so other passengers may be picked up or dropped off during your trip.

The Rapid Cab Company has provided safe and reliable shared ride service to the residents of Rhinelander and surrounding areas since January 1st of 2000. On a daily basis we provide all aspects of the “on-demand”, “scheduled” and “reservation” based service. For over 15 years we have provided and offer scheduled pickups and reservations for people going to work, medical appointments, shopping trips, who have flights to catch, or for those passengers who just want to go meet their friends for lunch.
