SPS 305.70 HVAC contractors.

(1) General.

(a) Except as provided in par. (b), pursuant to s. 101.178 (2), Stats., no person, entity, or business may engage or offer to engage in installing or servicing heating, ventilating, or air conditioning equipment, unless the person, entity, or business holds a registration issued by the department as a registered HVAC contractor.

(b) 1. A person, entity, or business is not required to hold a registration as a registered HVAC contractor to service existing heating, ventilating, air conditioning, or refrigeration equipment within facilities or properties owned by the person, entity, or business.

2. A person, entity, or business is not required to hold a registration as a registered HVAC contractor to install or service heating, ventilating, air conditioning, or refrigeration equipment within a dwelling owned by the person, entity, or business and in which the person, entity, or business resides or will reside.

3. A person, entity, or business is not required to hold a registration as a registered HVAC contractor for electrical or plumbing work associated with the installation or servicing of the HVAC equipment or systems.

(4) Responsibilities.

(a) For any HVAC equipment installation that requires a uniform building permit under s. SPS 320.08, a person, entity or business which holds an HVAC contractor registration may not commence installation of HVAC equipment until a permit is issued for the installation.

(b) A person who holds a HVAC contractor registration may not contract with another person or entity to engage in construction business activities unless the person or entity holds a credential under s. SPS 305.30 (1) (a) or (b).

SPS 305.70 HVAC contractors.

(1) General.

(a) Pursuant to s. 101.178 (3), Stats., an individual may obtain in accordance with this section an HVAC qualifier certification from the department relative to the business of installing or servicing heating, ventilating or air conditioning equipment.

(b) A person or entity who utilizes a person who holds an HVAC qualifier certification under this section shall be deemed to be a certified HVAC business and pursuant to s. 101.178 (3) (c), Stats., may not be required to obtain a local certification, license or other approval in order to engage in the business of installing or servicing heating, ventilating or air conditioning equipment.

(6) RESPONSIBILITIES. For any HVAC equipment installation that requires a uniform building permit under s. SPS 320.08, a person who holds an HVAC qualifier certification may not commence installation of HVAC equipment until a permit is issued for the installation.
