Rhineland District Library

Project Manager/Owner's Representative for Building Expansion

The Rhineland District Library (RDL) Board has determined there is a need to make a substantial expansion to the existing Library facilities. It is the Board position that due to the nature of the project it is best to obtain the services of a Professional Project Manager to serve as the advisor for the project and oversee the completion of the project compliant with the plans and specifications as ultimately approved by the LIBRARY BOARD and its BUILDING COMMITTEE. This Project Manager will serve as an Owner's Representative for the LIBRARY BOARD.
