

Notice

City of Rhinelander Residents

Fall Yard Waste Clean-up Deadline Date

October 28, 2019

This clean-up is for brush and yard waste only

City residents must set out brush and leaf bags no later than 7:00 a.m. Monday, October 28, 2019 to be guaranteed a pickup.

Residents are required to set out items at curbside earlier than the date listed as crews may collect yard waste before the designated clean-up day.

Residents missing this deadline will be required to haul the yard waste to Oneida County Landfill at their own expense.

Yard waste clean-up will be provided for city residents maintaining their yards. The service is not intended as clean-up for tree removal contractors, clearing of vacant lots for developments, businesses, or tax-exempt properties.

Clean-up services will observe the following rules and conditions observed with previous year's services:

- Only clear bags will be picked up. The City will NOT pick up dark colored bags or non-see through bags.
- Brush must be free of rope, wire, lumber, or other debris and neatly piled with cut end of limbs facing the street.
- Bags containing a mixture of yard waste and household rubbish or garbage will not be picked up.
- Residents are not allowed to rake leaves or yard waste lying loose in curb line or street. Violators may be billed for clean-up and/or issued a citation.
- Do not stack brush on leaf bags as each item is picked up separately.
- It is unlawful for anyone bringing items from outside the city and placing at curbside, violators may be issued a citation.

NEW THIS YEAR: Please help our City slow the spread of invasive species by separating out Buckthorn, exotic Honeysuckle, and Japanese Knotweed. To schedule a pickup of invasive plants, call the City of Rhinelander Department of Public Works at 715-369-4727 and ask to be put on "The Buckthorn List".

For help identifying the above invasive species, visit www.oclw.org or call 715-369-7835 for a site visit.
